COACH'S CODE OF CONDUCT:

The children in our program are at a very impressionable age, therefore, these rules of conduct for the coaches will help to set a favorable example for all participants. All Head Coaches are responsible for their Assistant Coaches following these rules.

- Per Officials discretion, swearing or unsportsmanlike conduct will not be tolerated.
- No grabbing or pushing of the children for any reason. These are children not adults, treat them accordingly.
- Follow the league rules in fact and in spirit. Remember at all times this program is for the player's benefit, not for the Coaches or parents.
- No criticizing officials at any time, on or off the field. This can only hurt the program. If you disagree with a call and you think the official misapplied a rule, you can call a time out and discuss it with the officials and league director. This does not apply to judgment calls. If the official agrees a rule was wrongly applied, the time out is not charged and the correction is made. If the official/league director thinks the rule was correctly applied, the time out is charged to your team and the play stands. The referee's decision is final.
- Head Coach is responsible for conduct of his Assistants and parents of players on their team.
- Show good SPORTSMANSHIP at all times.
- Playing time for all participants is more important than winning or losing a game.
REMEMBER: IT'S ABOUT THE KIDS, not the coaches and parents.

Infractions of this code of conduct will result in 1 – warning to stop conduct in questions, and 2 – ejection from the game.
